- I read nonfiction for Split/Lip Press. Fall 2021 is my fifth reading period.
- I have written over 40 reviews for Independent Book Review.
- I participate in the Lockdown Literature group for authors whose 2020 book launches were disrupted by pandemic quarantines.

Self-publications

All four of my books are distributed through IngramSpark, which makes them available to independent booksellers, as well as through Amazon. I hired editors, sensitivity readers, cover artists, and a publishing coach. I formatted the eBook and paperback versions myself.
